8. New Business	This meeting was held with the SMS Foundation Board. Ben Schenkel and the board presented the case for increasing teacher salaries at St. Mary to insure the retention of quality teachers. Comparisons to public school salaries were shown as well as comparisons in tuition rates at the local private schools. A plan was proposed to use part of the tuition increase and matching funds from the Foundation to create a fund to increase teacher salaries for the 2016-2017 school year. The Foundation was without several members by this time. It will be discussed at the next Foundation meeting. The joint meeting then ended and the regular LEAC meeting began.
