Summer Enrichment with Miss Kim

Hello Families,

I can't believe it, but it's the time of year to begin thinking about summer plans! (You know I'm still praying for a snow day!!!)

I will once again be planning to host another summer of enrichment here at St. Mary's for children in preschool through fourth grades.

The enrichment program combines recreation with hands – on academic skills. By continuing to review grade-level material and touch on upcoming material with inquiry-based activities, The students will be academically challenged while reviewing and learning new skills in a fun and interactive way. Tasks and activities will be differentiated by ability, to level so to challenge the students individually. Often in the summer, there is a small backslide in academics. This camp will help to counteract that while promoting additional growth.

The camp will run on Mondays and Wednesdays from nine to noon. It will be held at the school and the cost will be \$35.00 per day per child. Sibling discounts are available.

You do not have to sign up for all dates, but registration is required.

IF YOU WOULD LIKE TO REGISTER, PLEASE CONTACT MISS KIM AT
