Please consider joining us for this lovely adult only evening! This is the only fundraiser that the SMS Foundation does, and they do so much for the school.

For those new to the St. Mary's community, you may be wondering what the St. Mary School (SMS) Foundation is and why it matters.

The SMS Foundation is a nonprofit charitable organization established to support, strengthen, and sustain the educational mission of St. Mary's School. Its purpose is to meet the challenges of Catholic education today and tomorrow by protecting the long-term financial stability of our school for generations to come.

While annual tuition and limited diocesan funding cover basic day-to-day expenses—such as teacher salaries and utilities—they do not account for major or unexpected needs. When a roof leaks, 30+ year-old flooring needs

replaced, or additional safety and security measures are required to protect our children; that is where the Foundation steps in. The Foundation hosts one fundraiser each year: our Annual Benefit Drawing on Saturday, February 7. Tickets are \$150 and admit two guests. Join generations of Catholic school supporters for a fun evening while helping ensure the future of St. Mary's School.
