Miss Kim will be offering a summer enrichment program to St. Mary Catholic School families for children in Preschool through 5<sup>th</sup> grade.

The enrichment program combines recreation with hands-on academic skills. By continuing to review grade level material the students will be academically challenged while learning new skills in a fun and interactive way! Often in the summer, there is a small backslide in academics and this camp will help to counteract that while promoting additional growth and socialization.

The camp will run on Monday's and Wednesday's from 9:00 AM - Noon. It is not necessary to come every session, but registration is required. Enrichment will be held at the school and the cost is \$35 per day per child. Sibling discounts available.

For more information or to register, please contact Miss Kim at (740) 434-3212.

Many classes for next year are at or near capacity. If you know someone that is interested in enrolling at St. Mary Catholic School or to inquire about admission or schedule a tour, please call the school office at (740)374-8181 or email
