Field Day!!!

Monday, May 19 will be our Field Day at St. Mary Catholic School. This will be such a fun day for the students and staff. Please consider volunteering to help us! You can sign up in Track It Forward. We will also be looking for items to be donated for games and activities. Please watch for more information and ways to help!

Thank you to Mrs. Kern and all the staff that hosted Pinocchio!! It was such a great play!

We are extending the PATH OF FAITH fundraiser. These bricks make a great graduation or end of year teacher gift. The Path of Faith is the brick patio in the grassy area between the paved parking lots at school. You and your loved ones can become a permanent part of St. Mary Catholic School legacy. Please see the attached flyer - NOTE the deadline of May 1 is extended to May 30. Order online or by paper. Order form is attached to today's Irish Update.

Many blessings to our 2nd graders who receive the Sacrament of First Holy Communion this Sunday.

Soles4Souls cares for our planet and for people by extending the life of shoes and clothing

SOLES4SOULS

2nd grade is participating in the “Soles for Souls” class service project. This is a wonderful organization that cares for our planet and for people by extending the life of shoes. There is a collection basket inside the Parish Center entrance. The class will be delivering their collections to our local cobbler, Cobbler John.

The Junior High Athletic banquet and recognition is Monday, May 12th at 6:00 PM in the Parish Center.

The spring Art & Music show is next Wednesday, May 7th. Artwork will be on display from after school through the end of the music portion. Handbell choirs (6, 7 & 8) will perform beginning at 6:30 in the old gym.

Summer Enrichment from Miss Kim

I can't believe it, but the end of the year is fast approaching and it's time to start thinking about summer plans. I will once again be planning to host a summer of enrichment at St. Mary's for children Preschool through 5th grade.

The enrichment program combines recreation with hands-on academic skills. By continuing to review grade level material the students will be academically challenged while learning new skills in a fun and interactive way! Often in summer, there is a small backslide in academics and this camp will help to counteract that while promoting additional growth.

The camp will run on Monday's and Wednesday's from 9:00 AM – Noon. It is not necessary to come to every session, but registration is required. Enrichment will be held at the school and the cost is \$35 per day per child. Sibling discounts are available.

For more information or to register, please contact Miss Kim at (740) 434-3212.
