- Individual photo day is scheduled for Wednesday, September 24<sup>th</sup>. Uniforms are required for grades K-8. We will have a new school photographer this year with new and up to date information.

*Introducing our new school photographer, Mrs. Sabrina Adkins:*

I am the owner of Adkins Photography in Beverly, Ohio. I have lived in Beverly for the last 30 years with my husband, Don, where we raised our 4 children.

I started my photography journey as the mom on the sideline of my kids' ball games and sharing all the photos on Facebook for the parents to enjoy the action shots that I took during the game. Once my kids graduated from high school, I decided to take my photography hobby a step further and start my own business as a volume photographer. I am currently doing school portraits for some of our local schools as well as sports team photos for several of our local sports teams.

I look forward to working with the students at St Mary's Catholic School and providing them and their families with portraits that will last a lifetime.
