Irish Update

August 18, 2025

From Mrs. Huffman, our school nurse:

P3, P4, and Pre-K-

All preschool students must have a current physical on file, if their most recent physical is over a year old a new one is required. Immunizations must be up to date according to the document attached that is titled "Preschool Immunization Requirements."

Kindergarten-

All kindergarten students must have a current physical on file, if their most recent physical is over a year old a new one is required. Immunizations must be up to date according to the document attached that is titled "Ohio Immunization Summary for School Attendance 25-26."

7th Graders-

All 7th graders must have one dose of Tdap and one dose of MCV4 (Meningococcal). They can also use the "Ohio Immunization Summary for School Attendance 25-26" for reference.

Other Grades-

If any students not included in the grades listed above received any immunizations over the summer, please send me an updated immunization record for their file.

Parents of students that will be keeping any prescribed medications at school such as inhalers, epi pens, or seizure medications, need to contact me for additional paperwork.

Attached to today's Irish update is the schedule of immunization summary and the physical form that we use at St. Mary. Please feel free to contact Mrs. Huffman at myahuffman@stmaryscatholic.org with any questions.
